

# NASIFF ASSOCIATES, INC.

Thank you for taking time to review our product offerings. We are excited about the opportunity to get to know you and your needs better. We look to add value for you and your patients. Our Nasiff PC-based CardioCard<sup>®</sup> EGG Systems are known for top quality, ease of use and many features such as database capabilities, built in networking, EMR interfaces and much more.

You probably already know that we are also known for our top support. Please feel free to go to our website at [www.nasiff.com](http://www.nasiff.com) to learn more. We have spec sheets and benefit flyers on all our products which we can send if you want to learn more about a specific product. We also offer **FREE** and unlimited on-line product demos, upon request.
