FOR IMMEDIATE RELEASE

CardioCard[®] PC Based Mobile ECG System

CENTRAL SQUARE, NY: March 1, 2017—Nasiff Associates, Inc. announces additional options for the PC based Nasiff CardioResting™ product line. The PC-based CardioCard[®] Systems can be performed with Bluetooth and are available in the **MOBILE DEVICE** market. You can perform and manage tests on Android™ and iOS devices and WINDOWS tablets. This allows performing testing fast and managing them easily at the point-of-care. You can upload and send results from a tablet or mobile device which speeds up the ability to take care of additional patients. **Save time—Save lives!**

Performance and Portability

As with all of the Nasiff PC based CardioCard[®] products this CardioCard[®] PC based Mobile ECG System is full-featured. All Nasiff CardioCard[®] products are competitively priced with advanced features as our standard features.

All Nasiff CardioCard[®] products have:

- A Cardio Universal EMR Interface™ for most EMRs
- A Cardio Patient Data Management™ System
- Built-In networking, unlimited patient database with advanced security
- Excellent customer support and training
- Reliable, user-friendly, compact and durable devices
- Feature rich at competitive pricing
- Veteran Owned and developed and manufactured in the USA for legendary quality
- FDA clearance since 1989

All Nasiff CardioCard[®] products come with a 2-year warranty on all devices and software. Nasiff Associates also provide technical and customer support and on all devices via web or phone.

Please contact Nasiff Associates, Inc. for additional information and the distributor nearest to you.

#####

About Nasiff

Founded in 1989, Nasiff Associates is a Medical Technology Company and leader in diagnostic cardiology medical devices including ECG/EKG devices and systems. The first company to produce a clinically useful PC-based CardioResting™ ECG, PC-based CardioStress™ (Stress ECG), CardioHolter™ (Monitor), CardioSuite™ ECG System (all-in-one cardiology system consisting of Resting, Stress and Holter) and CardioVitals™. All products are developed and manufactured in the USA to maintain top quality control and unsurpassable customer care. All systems come complete with the Cardio Universal EMR Interface™. More information about Nasiff products can be found at www.nasiff.com.
